

We are down to a few short weeks of summer break, which means most schools will be back in session this month! important for EVERYONE including people and businesses to take proper safety precautions when driving around school buses and bus stops.

School Bus Safety – Stop and Stay laws!

*State laws vary; check with your local authorities

Infographic from MO State Highway Patrol – savemolives.com/mcrs/school-bus-safety

- Watch for children waiting alongside the road at bus stops. Kids love to run around, play ball, and may not be paying attention to you
- Obey school zone speed limits!
- Avoid distracted driving at **ALL** times and **PUT DOWN THE PHONE**.
- **Never** pass a school bus loading or unloading children, even if signage or lights are not operating!
