

O'Connor Insurance Joins Daniel & Henry

**FORMING ONE OF THE LARGEST COMMUNITY ASSOCIATION
INSURANCE PRACTICES IN THE COUNTRY**

FOR IMMEDIATE RELEASE

ST. LOUIS, MO, OCTOBER 1, 2026 – Karen O'Connor Corrigan, CIC, CIRMS, and her nationally-recognized agency are joining Daniel & Henry, adding 50+ years of community association expertise to a century-long tradition of independent, community-minded, risk management.

Beginning October 1, 2026, the O'Connor team will operate out of Daniel & Henry's St. Louis headquarters across from Forest Park.

The move creates one of the hottest addresses in community association insurance.

Combined, the partnership represents more than 1,000 communities and can now offer clients more carriers, coverage options and collective bargaining power than ever before.

"Community associations have a new home," says Bob Harrison, President and Chairman of the Board of Daniel & Henry. "A commitment to community has always been at the heart of Daniel & Henry. We are honored to build on that legacy and further strengthen our ability to protect and support the communities our clients call home."

In addition to the new address, O'Connor clients might notice some new capabilities. Karen and her team will have access to Daniel & Henry's expert support staff and shared agency resources, including dedicated loss control, claims advocacy and claims analysis.

The backing of operational professionals will also free O'Connor Insurance to focus on what's most important.

"We are unabashed coverage nerds," admits Karen. "We love the meticulous details of the policies we bring to our clients. This partnership allows us to spend more time focusing on that, on our clients."
